A panel of **local professionals** will discuss the current **home-less situation** in Knox county.

A **Question/Answer forum** will follow.

As a **community**, we can discuss this **silent situation**, & **create new solutions**.

Join in the conversation to:

- Gently awaken and bring awareness to teen home-lessness through art, music and theatre in downtown Rockland
- To change the stigma of home-lessness and to gain a new perspective of why and how home-lessness happens
- To continue to bring together non-profits, social agencies and businesses that are teen driven to collaborate and communicate more effectively
- Establish a County-wide support for a new Farmhouse Farm & Working Nursery for home-less teens

**THIS WILL CHANGE YOUR LIFE. & THE LIFE OF OUR COMMUNITY. TEENS & YOUTH.
